

## The IT Partnership

### Brief History

The IT Partnership and its predecessor, STATACOM have been around for well over 20 years. In that timeframe, we have developed associations with most of the major players in IT, Internet provision, telecoms and support services. This allowed us to facilitate the provision of the entire spectrum of IT and Telephony products and services.

### Our Team

We have a team of PC, Server and Network Engineers in house, complimented by a team of external web designers, Linux Specialists, Programmers cabling and other IT experts. Our team is scalable to take care of larger projects.

### Our Suppliers and Partners

ITP has ongoing relationships with Microsoft, Intel, DELL, Symantec, AVG, VODAFONE, Oracle, SAGE, CISCO, Zyxel, Logitech, Fonality, among others and use tier 1 distribution warehouses for our products.

### Customers include:

Professional Services – Solicitors, Accountants  
Medical - Dentists, Doctors, Opticians  
Education- Schools and Colleges  
Event Management Companies  
Construction - Surveyors & Building  
Publishing— Magazine Publishers
